# Scoop

Inspired by a grain scoop, Kirt Martin designed this casual stool to support your creative interactions and need for expression. Minimalist lines make a simple statement, while cushions of color pop with comfort.

## Standard features

- Durable wire rod frame available in Black or Platinum Metallic
- Molded plastic seat in two colors: white or cobblestone

## Optional feature

- Upholstered seat cushion

## Our Not-So-Corporate Statement

We don't just build furniture, we create it. We are a small, diverse team gaining inspiration and perspective from life—community projects, nature, art, road trips and music—it's all fair game when it comes to making products as unique as the people who use them.
