EMPLOYEE COMFORT IS ONE OF
TODAY'S TOP WORKPLACE CHALLENGES.
ORGANIZATIONS REQUIRE FLEXIBILITY
IN THEIR WORKSPACE SOLUTIONS TO
FOSTER WELL-BEING AND ENGAGEMENT
FOR A RANGE OF PEOPLE, WHILE
DEMONSTRATING A GOOD RETURN ON
INVESTMENT AND ALIGNMENT WITH
THEIR FACILITIES STRATEGY.

Soji

From the second you sit down, Soji brings your body and mind into sync—so you can enjoy healthier levels of performance, no matter where you work. Soji is a highly-adjustable task chair with more ergonomic options than most in its class. Designed for a wide range of people, spaces, and modes of work, Soji supports employees with effortless comfort and efficiently satisfies workplace strategies for better well-being.

Thoughtful Design and Informed Ergonomics

Built on a foundation of research, knowledge, and expertise around seating for people at work, Soji embraces the relationship between the human body and chair. Over three decades of comfort studies, 5+ billion data points, extensive user testing, and the patented adjustable lumbar ensure Soji delivers exceptional comfort to just about any body.

Effortless Support

Soji is a comfortable and reliable seating solution that offers support for a wide range of people, postures, and workstyles. With its host of ergonomic features and smoothly operating adjustments, Soji provides individualized ergonomic control to promote well-being.

Remarkably Efficient

Fit for a variety of applications—from touchdowns or conference rooms to task seating for individual workstations—Soji offers more options for customers who are challenged by the need to support their employees' well-being on a budget. With its high-quality materials in both fit and finish, and 12-year, 24/7 warranty including parts and labor, Soji makes a comfortable first impression—and a durable lasting impression—in any workspace.

Design Choices

With its inviting design and soft edges, Soji complements any environment. It features a knitted mesh back available in 11 colors, one standard trim color (Black), and two optional trim colors (Fog and Snow), with polished or painted aluminum and plastic base options, to offer one of the greatest ranges of design freedom for task seating in its class.
