# Ginkgo Conference

Designed by jehs+laub

Ginkgo Conference features a unique style that sets it apart from other executive chairs, making a truly distinctive design statement. Available in Mid and High Back versions, this five-star caster base chair features a swivel tilt mechanism. Ginkgo Conference represents the best of two worlds, with modern style and classic functionality.

The thoughtfully sculpted silhouette of the Ginkgo Conference chair mimics the clean aesthetic of the original Ginkgo chair from a unique perspective. The complex curves, thin lines, and optimum strength bring contemporary style to conference rooms and executive offices alike. As a natural extension to the Ginkgo family, Ginkgo Conference allows for new design opportunities by offering a continuity of form and style in new applications.
