

HAWORTH

Immerse

Tables

Thanks to mobile technology, people are free to seek out spaces that support dynamic and diverse ways of working. Organizations need adaptable work environments that offer variety and choice, so people can perform at their best and remain engaged throughout the day.

With Immerse® tables, creativity and collaboration can take shape at a moment's notice. Designed through a partnership between Haworth and Patricia Urquiola, Immerse tables provide a landscape of varied surfaces that support working in communal, comfortable ways that generate positive energy and promote well-being.

More Meaningful Workspaces

Featuring a residential aesthetic, Immerse tables add high design and unique personality to community spaces, conference rooms, and dining areas. The variety of colors, shapes, and materials draws people together and creates homey workspaces that keep talented people engaged.

Unique Capabilities

Immerse lets people easily shift between standing, perching, and sitting. The offering includes adjacent sitting and standing work-surfaces; dual, overlapping surfaces for sitting or standing; a double-layer design with a lower sill for storage; a waterfall-edge touchdown designed for smaller spaces; and traditional, seated-height tables.

Design Choices

Mix and match top and base material options for a range of atmospheres to suit your space. Worksurfaces are available in high-pressure laminate, powder-coat paint, solid surface, or premium veneer. Leg base options include powder-coated steel, as well as solid wood finishes in Clear on Walnut, Clear on Oak, and Ink on Ash.

Aligning People and Space for Optimal Performance

Your people, organization, and facilities are at the center of everything we do. We help create spaces that solve for your business needs—resulting in effective people and efficient use of real estate.
