

HAWORTH

Immerse

Ledge Table

The Immerse® ledge table was designed through a partnership between Haworth and Patricia Urquiola to help people connect, collaborate, and engage. A hard-working multitasker, the ledge table is the perfect venue for both impromptu conversations and focused work. It's a flexible touchdown solution that fits a variety of applications.

Certifications

- BIFMA LEVEL 3 Certified
- GREENGUARD Certified
- FSC Certified
- May Contribute Toward LEED Credits

Features

- A range of options to sit, stand, and support overall well-being while working
- Waterfall edge surface offers a welcoming aesthetic and a warmer feel
- Raised height supports natural movement while standing or seated on a stool
- Footrail adds comfort for seated workers
- Deep enough for plenty of work area, and narrow enough to fit smaller spaces
- Worksurfaces in high-pressure laminate or premium veneer; leg base is powder-coated steel
