

HAWORTH

Pip

Personal Laptop Table

The playful Pip™ personal laptop table has a warm, residential ambience, adding a light and whimsical—yet functional—feature to the work environment. It provides a freestanding personal working space that can be easily moved where needed to provide a solid worksurface for a short duration.

Certifications

- GREENGUARD Certified

Features

- Designed by Patricia Urquiola, Pip incorporates the quality materials and craftsmanship you would find in high-design pieces
- Complements lounge seating to address a variety of workstyle needs
- Flat base and offset leg enable a good fit anywhere and bring the surface comfortably to the seated user
- Designed for a variety of settings: corporate workspaces, hospitality environments, dorm rooms, student lounges, home offices, and more
- Top surface finish available in 12 Haworth standard paint on wood colors and solid planked wood in White Oak or Walnut
- Painted trim available in all standard Haworth paint colors
