

HAWORTH

Tables

Pip Collaborative

Pip™ collaborative table was designed to take social spaces to a new level with a group worksurface that's sized just right for lounge seating and goes anywhere you need it.

Features

- Provides a worksurface for group collaborative needs in social spaces
- Freestanding design enables freedom to move tables when and wherever they're needed
- Created to offer the ideal worksurface height for use with lounge seating or between two collaborative sofas in booth applications
- Dimensions: 26"H x 30"D x 60"W
- Curved surface edges create a soft, elegant silhouette
- Available with a laminate or veneer tabletop and 38 standard paint colors for the base
