

HAWORTH

Openest Chick Pouf

Loung Seating

As workplace footprints shrink, organizations are challenged to do more with less space. Part of the Openest® collection designed by Patricia Urquiola, Chick™ poufs help leverage under-utilized space by creating cozy, versatile work areas that draw people in.

Certifications

- BIFMA LEVEL 2 Certified
- GREENGUARD Gold Certified
- Best of NeoCon – Gold Award

Features

- Easy to arrange for individual focus and retreat areas as well as collaborative gathering and social spots
- Use alone or mix and match large and small squares, rectangles, and extra-large round poufs
- Subtle height variations and a range of top and side fabrics build a layered, landscape
- Designed with soft lines, attention to detail, and fine craftsmanship
- Personalize with different fabrics and colors for tops and sides
- An adaptable backrest available on small squares creates a chair, ottoman, or surface
- Coordinated fabric colors range from serene to energized, complemented by stitched accents
