Cabana Lounge

Connector Screen

Cabana Lounge™ is the first sofa system designed to deliver optimal user performance, comfort, and design to create unique destination spaces in the office environment. The connector screen gives designers choice, with the ability to join sofas together for semi-private, booth applications.

Features

- Expands the versatility and design freedom of Cabana Lounge
- Option to specify different fabrics on screens vs. sofas
- Dimensions: 44"H x 54"W (overall height from floor when connected to sofa screen)
- Overall booth application footprint: 92"W x 75"D
- Includes two visible hooks at top of screen and two non-visible elastic straps at bottom to secure in place
- Hooks available in Black, Smooth Plaster, Rusty Red, Sable, Matte Black, and Matte Plaster
- Shelf with monitor mount available for storage, display, or integration of visual technology
- Shelf holds up to a 32", 40-lb. monitor; finishes in White Oak or Walnut planked wood, or painted MDF (12 colors)

Accolades

- 2019 Best of NeoCon Gold
- Interior Design HiP Award 2019
