beso by Artifort

product information

Offered through a partnership with Artifort in Schijndel, The Netherlands, Beso, Spanish for "kiss," is a versatile and stylish chair program created by Dutch designer Khodi Feiz. Sophisticated profiles. Exquisite proportions. A chair, armchair and barstool delivered in multiple base styles in metallic, powder-coat colors, and wood finishes. The Beso collection offers a comprehensive palette for rendering the new work landscape.

The juxtaposition between powerful and simplistic in the Beso design allows for a comprehensive seating program that can be placed in a large array of applications. Beso encourages long, comfortable work with others, without the need to take a break or stretch your legs.
