## HALO Office

HALO Office brings lasting beauty and innovation to the workspace. Encircled by the HALO soft edge, unique protection is provided for both desk and chair with patented impact-resistance. Cleanly integrated adjustable-height controls, smart cable management, and breathtaking cantilevered surfaces create functional, visually-stunning desking solutions. Thoughtful, modern storage components configure to meet every need and create perfectly-tailored solutions for your unique office.

Patent No. US10506874B2, US9955787B2

Product Design Consultant | Gensler

Defy gravity with an adjustable-height cantilevered desk surface.

LEFT | Configure thoughtful storage components to meet your exacting needs.

RIGHT | Patented thin wood shelves support full loads.

Adjustable-height desking, thoughtful storage, and comfortable guest seating are beautifully integrated into a total office solution.

LEFT | Perfectly balanced and sequence-matched veneers combine with modern materials to create richness and depth.

RIGHT | Adjustable-height desking is beautifully integrated into every solution.

HALO Office's clean lines conceal an abundance of thoughtful storage options.
